

How to Apply for Roundhouse Enrichment Experience Grants

<https://sistersgro.awardspring.com/>

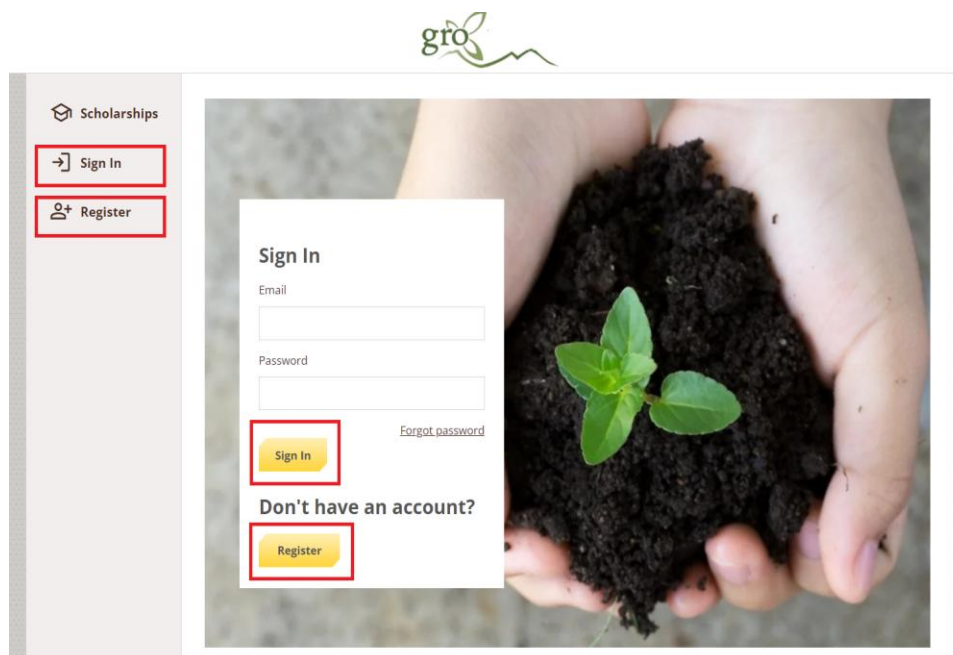

The screenshot shows the SistersGRO Awardspring website. At the top, there is a logo with the word "gro" and a green leaf icon. Below the logo, there is a navigation menu with the following items: Scholarships, Donors, Sign In, and Register. The Sign In and Register items are highlighted with a blue background. The main content area features a large image of a person's hands holding a small green seedling in dark soil. Overlaid on this image is a white "Sign In" form. The form has fields for "Email" and "Password", a "Forgot password" link, a yellow "Sign In" button, and a "DON'T HAVE AN ACCOUNT?" section with a blue "Register" button.

Once you are ready to begin your application either Register or Sign In:

Register: Choose this if you do not already have a SistersGRO AwardSpring account. You will be directed to a registration page. Enter all the required information, click the agreement box, and click the Create Account button.

Sign In: Choose this if you already have an account. Enter your email address and password and click the yellow Sign In button.

This screenshot is similar to the one above, but with red boxes highlighting the "Sign In" and "Register" buttons in the navigation menu and the "Sign In" and "Register" buttons in the main form. The "Sign In" button is yellow, and the "Register" button is blue. The "Forgot password" link is also highlighted with a red box.

After login/registration, you will be directed to your Dashboard.

Click the **Apply** button to begin filling out your application.

Note: The “Applications are currently closed.” message refers to our main scholarships available in February for graduating seniors.

Once you click the **Apply** button you will be taken to the entire Roundhouse Experience application. Answer all of the questions. Only the ones with *(Optional)* next to them are optional, the rest are required.

Required questions include submitting a recommendation request located at the end of the application:

This image shows a form for sending a recommendation request. It has three input fields: 'Recipient First Name' (containing 'John'), 'Recipient Last Name' (containing 'Doe'), and 'Recipient Email' (containing 'johndoe@gmail.com'). Below these is a rich text editor titled 'Message to Recipient' with a toolbar containing icons for bold, italic, underline, text color, background color, bulleted list, numbered list, link, and unlink. The text in the editor reads: 'I am applying for a Roundhouse Enrichment Experience grant through Sisters GRO that will provide funding for the science camp that I spoke to you about. This grant requires a letter of recommendation which will be used to help to review and score my application. Thank you in advance for your assistance.' At the bottom of the form, a yellow 'Send Request' button is circled in red.

Completing all required questions will enable the **Submit Application** button in the lower left corner. Click it to submit your application. (Note the recommendation shows when it was Requested and that its current status is Pending. Once the recommender does their part it will show Complete.)

The screenshot displays a web application interface. At the top, a recommendation request is shown for John Doe, requested on Sep 11, 2025, with a status of Pending. Below this, there are two buttons: 'Resend Request' and 'Send New Request'. A dark brown banner with a checkmark icon contains the text: 'Great! You have answered all required questions. Now click the Submit Application button.' Below the banner is a yellow button labeled 'Submit Application'.
